Pupil premium strategy statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data	
School name	Dursley C of E Primary Academy	
Number of pupils in school	258	
Proportion (%) of pupil premium eligible pupils	19%	
Academic year/years that our current pupil premium	Three Year Plan	
strategy plan covers	1 st Year 2024-2025	
	2 nd Year 2025-2026	
	3 rd Year 2026-2027

Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this ac- ademic year	£70416

Part A: Pupil premium strategy plan

Statement of intent

At Dursley C of E Primary Academy, our intention is that all pupils, regardless of their background or the challenges they face, make good progress and achieve across all curricular areas. At Dursley Academy, 'Together we shine brightly because together we make a difference', and our Pupil Premium Strategy focuses on making a difference for disadvantaged pupils so that they to achieve their potential, aiming for all children to achieve at least age-related expectations, and flourish in wider curriculum areas.

A central aim in our Pupil Premium Strategy is to ensure that high-quality teaching is evident across the school. We use the Pupil Premium funding to enhance CPD for all staff so that the highest standards of teaching and the most successful strategies are implemented in every classroom. We will focus closely on the areas that research suggests disadvantaged pupils find most challenging. Evidence shows that this approach has the greatest impact and benefits all children, not only those considered to be disadvantaged.

We understand that children will only succeed academically when they are emotionally secure and it is vital for us to consider the pastoral needs of all children. Any child who needs emotional support will be nurtured and specific sessions, e.g. Play Therapy will be provided to address emotional issues where appropriate. We also use pupil premium funding to secure effective engagement from all pupils and parents/carers. This may require support in their attendance, physical needs, educational, social and emotional support and extracurricular activities.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Attendance and poor punctuality due to challenging family circumstance, lack of aspiration. This can cause a significant loss of learning time for pupils
2	A number of children with Pupil Premium funding are more likely to require pastoral support due to Social, Emotional and Mental Health Needs.
3	Typically, children enter school with starting points below national expectations.
4	Some pupils typically join Dursley Academy with poor speech and language de- velopment which has affected their communication and oracy skills.
5	Many pupil-premium pupils do not have rich and varied life experiences as non- pupil-premium pupils. As a result, language acquisition and vocabulary can be limited.

6	Support at home can be limited due to a number of reasons including complex
0	family circumstances, unstable home environment, and financial difficulties.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria	
 The difference between Pupil Premium and Non Pupil Premium pupils is narrowed for GLD, Phonics Screening, end of KS1 SATs Outcomes and end of KS2 SATs outcomes. Quality first teaching Bespoke, personalised interventions on a 6 weekly cycle 	Quality First Teaching is evident in all classes. Through regular Pupil Progress meetings, children will be making accelerated progress to narrow the gap. Low Prior Attainers will make better than expected progress. This progress will be visible in learning walks, lesson observations and pupil books. The % of pupils at expected levels at the end of EYFS, KS1 and KS2 will be in line or better than the national figures.	
 Improve the attendance of disadvantage and SEND pupils. Attendance Officer, Headteacher and SENDCo work closely together with families to identify, and support to increase attendance. 	Persistent Absence % decreases. Whole school attendance is above 95%. Improvement in overall attendance of PPG eligible pupils and these pupils attend school on time.	
 Improve pupils oracy skills in order to equip children with the confidence and skills to communicate effectively in EYFS and Key Stage 1 Explore effective early oracy and lan- guage interventions, implement ongo- ing staff CPD such as BLAST over three years. Interventions such as speech therapy, or EEF assured programmes such as Talk Boost. 	During pupil conferencing and lesson obser- vations, pupils will use a breadth of vocabu- lary reflecting their learning and experiences. Children will be observed to connect ideas orally and explain what is happening coher- ently. Children will be able to accept another's point of view even when it differs from their own.	
 To meet children's pastoral needs and to provide adequate support to help children thrive both emotionally and academically. Through working with parents, class teacher/SENDCo PP pupils with pastoral needs are identified and planned. 	With emotional support provided, pupil pro- gress will not be affected by adverse child- hood experiences. Pupil premium children with complex family situations will meet national expectations by the end of each academic year. Teachers can get to know the likes/dislikes of pupil premium children and lessons can be tailored around this so they are more likely to remain engaged and take an active participa- tion in lessons. High levels of motivation and	

	engagement will enable Pupil Premium chil- dren to make accelerated progress.
 Opportunity to experience and enjoy wider world learning To provide learning through a variety of different mediums, using specialists and real life experiences that will develop a deeper understanding and ability to empathise. Prioritise membership to clubs e.g. gymnastics, sports coaching, swimming Visits, visitors and theme days to be supported through PP budget 	Children accessing clubs, enhancement op- portunities. Pupils talk with enthusiasm about their life and activities when talking with familiar adults.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 19072

Activity	Evidence that supports this approach	Challen ge number(s) address ed
CPD for all teaching staff in EYFS and KS1 on developing the use of oracy in the curriculum.	Communication and language approaches emphasise the importance of spoken language and verbal interaction for young children. They are based on the idea that children's language development benefits from approaches that explicitly support communication through talking, verbal expression, modelling language and reasoning. https://educationendowmentfoundation.org.uk/educatione vidence/early-years-toolkit/communication-and- languageapproaches Early literacy approaches have been consistently found to have a positive effect on early learning outcomes. The early literacy approaches evaluated to date led to an average impact of four additional months' progress, with the most effective approaches improving learning by as much as six months. https://educationendowmentfoundation.org.uk/educatione vidence/early-years-toolkit/early-literacy-approaches	3, 4, 5, 6
Additional time given to teachers to analyse data from assessments when identifying the specific areas children need support with and planning subsequent interventions.	Educational planning is one of the vital components in attaining quality basic education. Aligned to the Sustainable Development Goal (SDG) number 4 of the United Nations that seeks to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all (Feb 2019).	2, 3, 4, 6
CPD provided to all teaching staff to develop and deepen subject knowledge in application of RWM teaching strategies and pedagogies, in order to be specific to individual cohort needs.	The best available evidence indicates that great teaching is the most important lever schools have to improve pupil attainment. Ensuring every teacher is supported in delivering high-quality teaching is essential to achieving the best outcomes for all pupils, particularly the most disadvantaged among them. <u>https://educationendowmentfoundation.org.uk/support- forschools/school-improvement-planning/1-high- qualityteaching</u>	2, 3, 4, 6

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 26084

Activity	Evidence that supports this approach	Challeng e number(s) addresse d
Establish small group pre and post teach for disadvantage d pupils falling behind age related expectations and to enable those to attain greater depth.	Small group tuition proven to have approximately on average impact of four months additional progress over the course of a year. <u>https://educationendowmentfoundation.org.uk/educationevidence/tea</u> <u>ching-learning-toolkit/small-group-tuition</u>	3, 4, 6
Improve language and communicatio n skills through bespoke speech and language programmes, and language rich environments	Research has shown that improving children's communication skills at an early age grants them greater access to learning opportunities as they grow older. <u>https://educationendowmentfoundation.org.uk/educationevidence/tea</u> <u>ching-learning-toolkit/oral-languageinterventions</u>	3, 4,5, 6
Deliver training and implement Precision Teaching in order to close gaps in phonic knowledge	Research has shown that Precision Teaching improves the pupils accuracy, fluency and retention skills. <u>What is Precision Teaching?</u> <u>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics</u> <u>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/individualised-instruction</u>	3, 4,5, 6

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 26260

Activity	Evidence that supports this approach	Challenge number(s) addressed
Play/Drama Therapy	Drama/Playtherapy is about providing a safe place for children to explore and process their emotions and experiences that are just too big to manage in everyday life, through their natural language of play: the toys are their words. Play allows them to safely explore difficult or traumatic experiences through symbolism and metaphor. What is play Therapy and its impact?	2, 6
Wide range of after school clubs led by Class teachers and Support Staff	After school clubs increase social development and soft skills. Through offering a range of clubs throughout a child's journey through school, can help build on their social skills and self-confidence. <u>https://educationendowmentfoundation.org.uk/education- evidence/teaching-learning-toolkit/physical-activity</u>	1, 2, 5, 6
Funding support for Field Trips	Field trips offer students a unique cultural learning experience. It allows students to be involved in new environments, key to encouraging curiosity about a given subject. It is also valuable as an exercise in broadening a student's understanding of the world and their place in it. Educational trips encourage the development of social, personal and study skills. Stephen Pearse Foundation 2018	2,5,6
Deputy Head teacher to support and improve children's attendance and punctuality.	r to Good attendance at school is essential, it is linked to improved academic performance, developing learning	

Total budgeted cost: £ 71416

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

End of Key	End of Key Stage 2 Statutory Assessments							
Subject	% of Disad pupils at ARE (13 pupils)	% of Disad pupils 2023 Nat figures	% of Other pupils at ARE (26 pupils)	% of Other pupils 2024 Nat figures	% of Disad pupils at GD (13 pupils)	% of Disad pupils at GD 2024 Nat figures	% of Other pupils at GD (26 pupils)	% of Other pupils 2024 Nat figures
Reading	46%	60%	79%	Awaiting %	0%		27%	
Writing	39%	58%	72%	Awaiting %	8%		28%	
Maths	23%	50%	64%	Awaiting %	8%		19%	
RWM Comb	8%	45%	67%	67%	0%	3%	10%	10%

• Disadvantage pupil figures are below the National figures in all subjects.

End of Key Stage 1 Teacher Assessments

Subject	% of Disadvantage pupils at ARE (15 pupils)	% of Other pupils at ARE (25 pupils)	% of Disadvantage pupils at Greater Depth (15 pupils)	% of Other pupils at Greater Depth (25 pupils)
Reading	50%	83%	0%	28%
Writing	50%	86%	0%	0%
Maths	64%	86%	6.7%	16%

KS1 and KS2 Next Steps:

- Explicit teaching of vocabulary is built into Whole Class Reading lessons.
- Retrieval of key learning within all subject areas remains a focus. This will be a key area of development across the school.
- A clear, consistent lesson design for writing is in place to ensure high quality teaching.
- Regular gap analysis in maths is helping to identify what intervention is necessary.
- Explicit teaching of fluency and planned interventions for fluency will help close the gap in reading.
- Predictions for end of Key Stage 2 SATs show improved performance for all children, including disadvantaged.

Phonics Screening Check

	% of Disadvantage pupils who passed	% of disadvantaged who passed (2024 National figures)	% of Other pupils who passed	% of Other pupils (2024 National figures)
Year 1	50%	68%	83%	%

• Pupils who did not pass the screening have an EHCP and have significant difficulties with retaining information. Pupil have made significant progress from their starting points, but did not pass the screening check.

Next steps

- to improve the % of all pupils passing the screening check, through quality first teaching, and targeting blending of sounds.
- Provide additional support for those Pupil Premium pupils with low attendance/persistent lateness and are missing Phonics lessons.
- Continue to deliver bespoke interventions to ensure that did not pass the screening check at Y1 will pass at the end of Y2.

<u>EYFS</u>

EYFS	National GLD 2023 (2024 released Nov 28 th)	School GLD 2024	National PP GLD 2024	School PP GLD 2024 (7 pupils)	School non PP 2024 (34 pupils)
	67%	54%	%	14%	62%

- Gap between disadvantage pupils and other pupils significantly below national. Targeted intervention to improve oracy and language skills, and early reading skills.
- High percentage of pupils with additional needs (SEMH) within this cohort.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England

Programme	Provider	

Service pupil premium funding

Measure	Details
How did you spend your service pupil premium allocation last academic year?	Providing additional adult support for intervention to ensure Service pupil achieved GD in Reading, Writing and Mathematics.
What was the impact of that spending on service pupil premium eligible pupils?	Pupil achieved GD in Reading, Writing and Mathematics at the end of Key Stage 2.
